

Tuesday Night Remote Dart League Rules

1. Teams will consist of two players. Each team will play thirteen games per week , 6 games of 501, 6 games of Cricket, and 1 game of 701.
2. Teams will get one point per win. Percentage of wins against the number of games played determines league winners.
3. The cost per player per week will be \$11.00 (\$3.75 to the league to be paid out as prize money at the end of the year, and \$7.25 for the games).
4. Play starts at 7:00 p.m. 7:15 first call. 7:30 p.m. forfeit unless both team captains agree to shoot later or reschedule. If unable to shoot your scheduled match, please make every attempt to reschedule. To reschedule a match you must call the opposing team at least 2 hours in advance. If the match is not rescheduled and shot by the end of the season, it will result in a forfeit.
5. When adding subs, use full names (first and last), NO NICKNAMES!
6. Shooting under another person's name will be a forfeit of match for the offending player's team.
7. **If a dart does not register when it is thrown it cannot be pushed in to get the points as the opposing team cannot see where it hit when it was thrown.**
8. If the machine is malfunctioning before league play, teams can reschedule (preferred) or they can play on another machine in the league system.
9. Abuse of equipment will not be tolerated i.e., hitting, kicking, punching, etc. This can cause the machine to malfunction ending league play. First offense is loss of the game to the player involved. If it continues, it will be a forfeit by the offending player's team. Machines are sensitive, please take care. Do not hit or punch the target face as this can cause a malfunction that will end the match.
10. Please refrain from excessive swearing or any other behavior that is distracting or offensive to players or patrons.
11. This league is sanctioned for WAMO and MOMA and qualifies shooters for the River Valley Regional Tournament.
